

WORKING FROM HOME THE GOOD, THE BAD AND THE UGLY

Unite employees around the **virtual** water cooler -
Give your employees the chance to **connect** and **share** the
highs and lows of working from home

An **immersive, insightful** and **collaborative** session
with polls, break out rooms, brain storming and report
back

Identify how working from home can be more **productive,**
effective and **engaging**

What it is:

60 minute workshop, suitable for employees at any level
and job function for 5-50 participants

Includes summary report and actionable insights
